EXPERIENCE

Picture an intimate hotel where terraces, gardens and balconies seem literally to trickle down the cliffs. A hotel as distinguished for its design and dazzling sea views as for the region's finest food, spa and sleep experiences. Welcome to The Cliff House Hotel.

The interiors have sumptuous decor and palettes of marine blue, fuchsia, aubergine and sea green evoking the surrounding Waterford countryside. So close is the sea, you'll feel like a passenger on an ocean liner. Bedrooms at The Cliff House Hotel are contemporary interpretations of cozy cottages. Step inside and you'll find original art, elegant furniture, Wi-Fi as standard and, of course, a great night's sleep. Almost all feature private balconies overlooking the Irish Sea. Suites feature commissioned artworks and individual designs.

Savor exceptional Irish and international cuisine with local, seasonal ingredients. Retreat to The Cliff House Bar and enjoy a special cocktail and gaze out the floor-to-ceiling windows or terrace that offer an audience with the Celtic Sea.

The Well features an indoor infinity pool, outdoor jacuzzi, sauna, steam room, fully-equipped gym, and treatment rooms staffed by expert therapists. The cedar-clad steps lead to a natural rock pool for that refreshing dip in the sea.
